Another Good Citizen Gone.

Mr. Elibu Wigington departed this life Monday, 3rd inst., in the 77th year of his age. He had been in feeble health for some time, and kind and loving hands were watching and administering to his wants. Death came, and as peacefully and calmly as a summer zephyr his spirit passed away. He was a member of the Mountain Springs Baptist Church, and had lived a devoted Christian life. He was a man of great firmness and decision of character. He was not a man to parade his opinions or advice before the world, but when either was sought or asked for, but when either was sought or asked for, the answer was given with such fore-thought and judgment as to carry weight and force. It was remarked in the presence of the writer by one of his cotemporaries in life, (viz., Col. W. S. Pickens,) that he was one of the few men of his day whose sterling traits of character and life might, and could, be held up before the young America of to-day as being worthy of their imitation and emulation. After appropriate funeral exercises, conducted by Rev. D. I. Spearman, his mortal remains were laid to rest in Mountain Spring? Cemetery. He leaves an aged wife, two sons and four daughters, a number of grandchildren, with many other ber of grandchildren, with many other relatives and friends to mourn; but they and had long ago prepared herself to answer the summons of the Angel of Death, which is a great consolation to her loved ones, who know she is at rest now with the Saviour.

Harris. He will be missed very much, not alone by his dear ones, but by the people generally in this community, and wherever else he was known. But our loss is his eternal gain. We will never see him in this world, but we hope to meet him in the world beyond, where there will be no sickness, no death, no parting. "The Lord gave, and the Lord hath taken away; and blessed be the name of the Lord."

A FRIEND

Death of a Popular Young Man. On Saturday, the 8th inst., the angel of death entered the home of Mr. and Mrs. D. P. Bowen, of Storeville, S. C., Anderson County, and took from them their loving son, Jehu. Jehu's death seemed an untimely one, viewed from a human standpoint. His sickness was of short duration. He took sick on Wednesday, the 5th, and died Saturday, the Sth inst. From what I knew of him, I believe that the angels came and wafted his spirit to that better land. I know that the home-cir-cle has been broken and the loved ones have sustained an irreparable loss. We believe that this bereaved family have believe that this bereaved family have the heart-felt sympathy of all wko knew their deceased son. So lift up your disconsolate hearts and look up through your tear-bedimmed eyes and recognize the hand of Providence ruling in the affairs of men and plant yourselves on this hope, that, although you cannot now understand why the idol of your affections has been toon from your breast yet rest asymed that torn from your breast, yet rest assured that when the mists are cleared away and we, too, are summoned to meet our God, we

can once more clasp the hands of our de-parted dead, and then, perhaps, we may know why it was that this flower was plucked in its bloom and others are permitted to mature.

Death is sad at any time, but especially is it sad when it lays its icy grasp upon a young man whose soul is fired with a zeal to make of himself a citizen that would reflect honor upon his parents, upon his country and upon his Creator. Such a character as this was imbeded in the lofty mind and noble heart of the late and la-mented John Bowen.

It was the writer's privilege to know the deceased and to be intimately associated with him for several months. I always looked upon Jehu as being a young man of noble traits of character. I knew him the respect of his associates. As a student he was honest, thorough, accurate, dil-gent and obedient. He at once won the highest degree of respect of both teacher and fellow schoolmates, and this distinc-tion he held to the last. The last time I talked with him he was making arrangements to go to College and thereby batter prepare himself for the duties of life. But in the dispensation of God's Providence Jehu Bowen has been taken from the

scenes of life terrestrial and, I believe, in-ducted into that higher sphere of life celes-His funeral services were conducted by his pastor, Rev. G. M. Rogers, and a large crowd assembled at the cemetery of Salem Bapcist Church to pay their last respects to the deceased.
